Description

With the Vibia Wireflow 0377 pendant lamp, designer Arik Levy ties in with classic models of chandeliers and takes this type of lamp to a new, futuristic dimension. Stylishly modern reduced to the essentials and at the same time a strong, present form, this pendant lamp becomes a special design product. A total of 42 LEDs with glass diffusers are integrated on various levels in this light. The Wireflow Chandelier is dimmable on site, on request it is also available as a version which can be dimmed via smartphone. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
