

Vibia

Flamingo 1550

Version

- or
- Graphite-gris
- cuivre
- blanc

Technical details

Pays de fabrication	 Espagne
Fabricant	Vibia
Créateur	Antoni Arola
année	2015
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
matériel	acier, acrylique, aluminium, méthacrylate
réglage de la hauteur	hauteur déterminée
atténuation	1-10V dimmable
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.662
La température de couleur en Kelvin	2.700 extra blanc chaud
canopée Dimensions	16 cm
Diamètre de l'ombre	90 cm
Les performances du système	3 x 5,6 Watt
hauteur totale	350 cm
Dimensions	H 103 cm

Description

The Vibia Flamingo 1550 is a pendant lamp designed by Antoni Arola, combining aesthetics with functionality, radiant light and a touch of poetics. It emits ambient light via its transparent shades and at the same time a punctual light via its LEDs. The lamp head above the shades illuminates the top shade for additional ceiling illumination, which reflects most of the light to the ceiling. The two light heads with LEDs are offered in these versions: white matt lacquered, graphite-grey matt lacquered, gold satin matt and copper glossy. The canopy is always in the matching colour to the light heads. The pendant lamp is height-determinable and can be dimmed on site. On request there are also offered versions that can be dimmed via smartphone, or DALI dimmable versions. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
