Description

The Arturo Alvarez Tati TA06P is a medium-sized wall and ceiling lamp in this collection. It has a lamp shade in painted stainless steel mesh, offered in the surfaces white and grey. On request, the lamp is also available in taupe and beige. This steel metal mesh is a translucent and flexible material, which is molded and folded to give it the desired shape and structure. This wall and ceiling lamp is 31 cm long and 31 cm wide. The wall lamp has a depth of 20 cm. The lamp is available in two versions: G9 and LED.

The G9 version has one G9 socket and is operated with a replaceable LED retrofit. The LED version is operated with an integrated LED and has a colour temperature of 2,700 Kelvin extra warm white and can be dimmed on site. It is available on request with a colour temperature of 3,000 Kelvin warm white.
