Description

The Marset Santorini is a pendant lamp, which is also suitable as an outdoor lamp. With a degree of protection of IP65, it is both dustproof and protected against strong jets of water. The lamp has a glass diffuser and two lamp shades. The shades can be arranged in different ways. Depending on how the shades are arranged, the light emitted upwards is reflected differently. The shades are available in white, mustard yellow and grey. The cable length can be shortened if required. The Santorini comes with a grey canopy with a diameter of 11.2 cm and a height of 3.5 cm. LED retrofit can be used as light sources.
