### Description

The lampshade of the Gea GE04 from Arturo Alvarez consists of painted stainless steel mesh offered in the surfaces white and grey. On request, the lamp is also available in taupe and beige. The transparent cable of this lamp can be shortened if required. On request, the cable is also available in black. The Gea GE04 from the Spanish designer Arturo Alvarez has a diameter of 19 cm and a height of 45 cm. This lamp is available in both E27 and LED versions.

The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The LED version of the Gea GE04 has an integrated LED with a colour temperature of 2,700 Kelvin extra warm white and is also available as a DALI dimmable version on request. A version with a colour temperature of 3,000 Kelvin warm white is also offered on request. On request this lamp is also available with a black cable instead of the transparent one. The steel gloss nickel-plated canopy of the E27 Version has a diameter of 8 cm, the LED version canopy has a diameter of 12 cm.
