Technical details

Pays de fabrication	 Allemagne
Fabricant	Decor Walther
Créateur	Maiken Walther
Indice de protection / Indice IP	IP44
Contenu de la livraison	LED
Profondeur en cm	10
matériel	métal, verre acrylique
atténuation	dimmerable sur place avec commande gradateur de phase inverse
Puissance en Watt	15,8 W
LED	y compris
Indice de rendu des couleurs	80
Flux lumineux en lm	2.646
Dimensions	H 5 cm L 15 cm

Description

The Decor Walther Box 15 N LED is a rectangular wall lamp with a length of 15 cm. It emits light both downwards and upwards. The light is scattered evenly and glare-free by a diffuser made of white matt acrylic glass. Some of the light also radiates to the wall, from where it is reflected into the room. The lamp is available in chrome, satin nickel, gold (glossy), gold matt, black matt, white matt and rose gold finishes. An LED is integrated which can be dimmed on site with a trailing edge phase dimmer. This wall lamp is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. The lamp with a colour temperature of 2,700 Kelvin extra warm white is also available in dark bronze on request. The Box 15 N LED is with IP44 protection also suitable as a bathroom light. It is thus protected against splashing water from any direction and against solid foreign bodies with a diameter of at least 1 mm. In addition to this LED version, a R7s halogen version is also on offer.
