Description

The Decor Walther Box 1-60 is a mirror plug-in lamp with a length of 60 cm and a height of 5 cm. Its depth is 10 cm. The lamp is suitable for mirrors with a maximum thickness of 6 mm. The lamp emits its light both upwards and downwards, with a diffuser made of white matt glass glare-free and evenly diffusing the emitted light. This clip-on lamp for mirrors is available in chrome. With protection class IP44, the Box 1-60 is protected against splashing water on all sides and against solid foreign bodies with a diameter of one millimetre or more. It can therefore also be used in the bathroom. Three R7s halogen lamps are required as illuminants. In addition to this halogen version, an LED version of the Box 1-60 is also available.
