### Description

The Decor Walther New York 40 N LED can be mounted vertically or horizontally. This wall lamp is 42 cm high, 9 cm wide and 7 cm deep. It is made of metal and available in chrome or gold finish. A diffuser of glossy white acrylic glass ensures glare-free light. With protection class IP44, the New York 40 N LED is protected against splashing water on all sides and can therefore also be used in bathrooms. The integrated LED with a colour temperature of 3,000 Kelvin warm white can be dimmed on site with a trailing edge phase dimmer.
