<b>atténuation</b>	dimmerable sur place
<b>Socle / Douille</b>	E27
<b>Puissance (max. Watt)</b>	77 Watt
<b>Dimensions</b>	H 26 cm   Ø 35 cm

### Description

The Vistosi Aria SP is a pendant lamp with two shades set into each other. The two shades can be positioned differently to each other by means of angled rails on the suspension. The inner lamp shade is always white, the outer shade is available in the colours metallized or copper. The lamp is 26 cm high and has a diameter of 35 cm. The suspension cables of the Aria SP are height-determinable if required. With the three ceiling hooks supplied, the pendant lamp can also be mounted independently of the power outlet. The pendant lamp can be operated with halogen lamps or LED retrofit lamps.
