<b>Dimensions</b>	H 17 cm   B 40 cm   L 46 cm

## Description

The Vistosi Balance SP M pendant lamp has a shade made of mouth-blown, 3-fold coated crystal glass. This diffuser is glossy white and provides an even and glare-free light emission in all directions. The lamp has a length of 46 cm, a width of 40 cm and a height of 17 cm. The Balance SP M is available in three versions: as a halogen E27 lamp and as two LED lamps. One LED lamp is with trailing edge phase dimmer, the other is 0-10 volt dimmable. Both LED lamps are supplied as standard with a colour temperature of 2,700 Kelvin extra warm white; on request, both are also available with 3,000 Kelvin warm white. The halogen E27 version is dimmable on site and can also be operated with LED retrofits. The mounting of the lamp shade is made of satin nickel-plated metal for the E27 lamp and of white matt metal for the LED lamps. The cable of this pendant lamp has a maximum length of 200 cm and can be shortened if necessary. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
