## Description

The Holtkötter Plano floor lamp is a ceiling floodlight with a height of 185 cm. Four LEDs with a colour temperature of 2,700 Kelvin extra warm white are integrated and can be replaced by the manufacturer if required. They can be infinitely dimmed via a push button dimmer on the light rod. The last brightness level set is saved via a memory function and reset when the light is switched on again. The Plano floor lamp is available in black, matt aluminum and platinum. Holtkötter also offers the similar Plano L ceiling floodlight from this series, which has an additional LED reading arm.
