Incontro

Oberfläche

- or
- argent
- blanc

Dimmbarkeit

- dimmerable sur place avec commande gradateur de phase inverse
- pas baissable

Technical details

Pays de fabrication	 Italie
Fabricant	Cini & Nils
Créateur	Luta Bettonica
année	2015
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
Profondeur en cm	8
matériel	aluminium
LED	y compris
La température de couleur en Kelvin	2.800 blanc chaud
Dimensions	H 22 cm B 22 cm

Description

The Cini & Nils Incontro can be mounted on the wall or ceiling. The illuminant is integrated so that it is never visible and the light is only emitted indirectly. Therefore the lamp can be mounted on the ceiling or wall at any height or orientation. The lamp itself is illuminated and a part of the light is reflected into the room. In addition, the wall or ceiling around the lamp is also illuminated. This wall and ceiling lamp is available in white, gold matt and silver matt. The Incontro is offered in two versions: non-dimmable and dimmable on site with a trailing edge phase dimmer. The dimmable version can also be regulated with an optional Casambi module via Bluetooth using a smartphone/tablet. This wall and ceiling light always has an integrated LED with a colour temperature of 2,800 Kelvin warm white as the light source.
