Contenu de la livraison matériel	LED
réglage de la hauteur	aluminium, verre, verre acrylique
atténuation	hauteur déterminée
Puissance en Watt	gradable avec variateur à coupure de phase et à commande de phase
LED	11 W
Indice de rendu des couleurs	y compris
canopée Dimensions	>97
Diamètre de l'ombre	8 cm
Hauteur de Abat	16 cm
remplacement des ampoules :	21 cm
hauteur totale	sur le site meme
	15 - 195 cm

Description

The Serien Lighting Drum Suspension Rope S Long pendant lamp is suspended from the ceiling with stainless steel cables. During installation, the lamp can be suspended in its total height between 15 cm and 195 cm.

The Drum Suspension Rope S Long has a glass diameter of 16 cm and a height of 21 cm. It is available with a colour temperature of 2,700 Kelvin extra warm white, 3,000 Kelvin warm white or with dim to warm function. When dimmed, the lamp with dim to warm function imitates the dimming behaviour of classic incandescent lamps, which is perceived as pleasant. As a result, the light not only becomes darker when dimmed down, but also changes its colour temperature from 1,800 Kelvin extra warm white to 3,000 Kelvin warm white.
