Description

The Grupa Baluna Floor is a floor lamp and has a height of 140 cm. Its glass shade can be rotated 360 degrees around its own axis. This lamp has a integrated dimmer on the lamp body. The lamp shade is made of triple-coated, mouth-blown opal glass. The light is emitted from the glass shade glare-free and homogeneously in all directions. The lamp rod and base are made of powder-coated steel and are finished as well as assembled by hand. The lamp base has a diameter of 37 cm.

The Baluna floor lamp has a black surface. The lamp is available in other finishes on request.
