Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
Diamètre en cm	10
matériel	cristal verre, métal
couleur de câble	transparent
longueur de câble	250 cm
réglage de la hauteur	hauteur déterminée
Socle / Douille	G4
Puissance (max. Watt)	1,2 Watt
LED	y compris
canopée Dimensions	6 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 15 cm Ø 10 cm

Description

The Bomma Dark & Bright Star Small has a mouth-blown glass with a diameter of 10 cm. Each glass is made individually from mouth-blown crystal glass and is therefore unique, so small bubbles or irregularities in the glass may occur. The concentric circles on one side of the lamp create numerous light and shadow effects on the glass when switched on.

The Dark & Bright Star Small is available in the glass colours white and cigar brown. The white glasses are made of clear glass with an opaque sand cut, the cigar brown glasses are completely coloured. Each glass is finished by hand, so colour intensity and tone may vary. The suspension of the lamp is offered in brushed brass or anthracite. The canopy has the matching colour to the suspension in each case. The cable with a maximum length of 250 cm can be shortened if necessary; special lengths for the cable are also available on request. The lamp has a G4 socket that is operated with a replaceable LED retrofit. Bomma also offers the Dark & Bright Star with a diameter of 15 cm as a Large version or as a chandelier with up to 26 lamps on a canopy.
