Orbital Wall

Glasfarbe

- noir
- blanc
- clair
- rose

Wandhalterung Oberfläche

- or
- argent

Technical details

Pays de fabrication	 Tchèque
fabricant	Bomma
concepteur	Studio deFORM
protection	IP20
Contenu de la livraison	LED 230 Volt
Profondeur en cm	16
Diamètre en cm	36
matériel	acier Inoxydable, cristal verre
atténuation	dimmerable sur place
base/version	E27
Puissance (max. Watt)	13 Watt
LED	y compris
remplacement des ampoules :	sur le site meme
Dimensions	Ø 36 cm

Description

The Bomma Orbital Wall is a wall lamp with a mouth-blown glass. It has a diameter of 36 cm and a depth of 15.5 cm. The light is emitted through the glass homogeneously and glare-free in all directions, thereby creating numerous light reflections on the lamp. Each glass is individually made of mouth-blown crystal glass. Any small bubbles or irregularities in the glass are a characteristic of traditional glassblowing. During the production of the coloured glass, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. As each glass is unique, the colour shade and intensity can vary.

The Orbital wall lamp is available in the glass colours polaris white, venus pink and clear. The wall mounting made of stainless steel is available in the surfaces silver or gold patinated. The lamp socket behind the glass has the same surface as the wall mounting. A replaceable Globe LED Retrofit can be used as the light source.
