Description

This Bomma Dark & Bright Star chandelier consists of two Large and one Small pendant lamp on a round canopy. The two Large lamps in this chandelier have the glass colour cigar brown, the Small lamp is in white. On request, any combination of the glass colours cigar brown and white can also be put together. The white coated canopy has a diameter of 40 cm and a height of 6.2 cm. The suspension is in anthracite for the white lamp and in brass brushed for the cigar brown lamps.

Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, small bubbles or irregularities in the glass may occur. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. Each glass is individually handfinished so that colour intensity and tone may vary. Each lamp is powered by a replaceable G4 LED retrofit.

The cables with a maximum length of 250 cm can be shortened if necessary. On request, Bomma also offers chandeliers with up to 26 lamps with the available glass colours and suspensions.
