### Description

This Bomma Dark & Bright Star chandelier consists of three Large and three Small pendant lamps on a round canopy. The six lamps of this chandelier have each the same glass colour. The lamps are offered in the glass colours white and cigar brown. The white coated canopy has a diameter of 40 cm and a height of 6.2 cm. The white lamps have a suspension in anthracite, the cigar brown one in brushed brass.

Each glass is individually made of mouth-blown crystal glass and is therefore unique. The traditional glassblowing process may result in small bubbles or irregularities in the glass. The white glasses are made of clear glass and are opaque sand-cut. The cigar brown glasses are completely coloured. Each glass is individually hand-finished, so colour intensity and shade may vary. Each lamp has a G4 socket and is operated with a replaceable LED retrofit.

The cables of the Dark & Bright Star lamps have a maximum length of 250 cm and can be shortened if necessary. Chandeliers with up to 26 lamps with the available glass colours and suspensions are also offered on request.
