Lite Hole C/W 90

Oberfläche

- cuivre
- noir
- or
- blanc

Technical details

Pays de fabrication	 Espagne
fabricant	B.Lux
concepteur	David Abad
protection	IP20
Contenu de la livraison	LED
Diamètre en cm	90
matériel	aluminium, verre acrylique
atténuation	Poussez dimmable
Puissance en Watt	41 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	7.960
La température de couleur en Kelvin	3.000 blanc chaud
Dimensions	H 8 cm Ø 90 cm

Description

The B.Lux Lite Hole C/W 90 ceiling light consists of two concentric aluminum rings that sit on top of each other. Its lamp body has a diameter of 90 cm and a height of 6 cm. Including the ceiling bracket, this lamp is 8 cm high. Thanks to a diffuser made of opal white acrylic glass, any glare is prevented and the light is homogeneously distributed downwards.

The Lite Hole C/W 90 is available in the surfaces white matt, black matt, copper and gold. The integrated, powerful LED has a colour temperature of 3,000 Kelvin warm white and an output of 41 watts. It can be dimmed with Push or DALI. Push requires a 4-core mains lead for dimming, DALI a 5-core. A version that can be dimmed with a Casambi module by smartphone via Bluetooth is also available on request. The version with Casambi module can be operated easily and intuitively via mobile devices using the free CASAMBI app (iOS and Android). Casambi thus expands the control options with functions such as dimming, grouping of lamps, programming of groups and scenes, automations and much more. In addition to this ceiling light, the Lite Hole is also available with a diameter of 60 cm or 120 cm.
