Design Mauro Olivieri

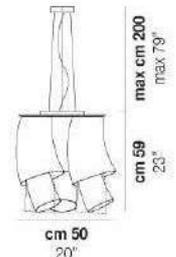

A collection inspired by the ocean life in its colours, shape and texture. It allows infinite possibilities thanks to the rotating components, made of glossy blown glass and available in two sizes, that may be arranged in different positions. White or crystal balloton glass. It is available as table and pendant.

- 1** Metal frame with related shares of distance between holes.
- 2** 3-lines electric wire, section of cables 3x0,75 T° 180.
- 3** 3 stainless steel ropes crease resistant of Ø1,2 mm composed of 7x7 wires.
- 4** 3 metallic lamp holders T° 300 with connection type E27.

**5** Diffusers of two sizes, mouth blown and handmade. They are available in different textures and colors between them, so as to create multiple combinations. Unleaded glass; color, when there is, it's not painted but got in the mix.
