Omschrijving

The Foscarini Bit 1 is a single wall lamp out of the Bit series designed by Ferruccio Laviani in 1993. The Bit 1 has a diffuser consisting of satined silk-screened glass placed onto a mounting out of lacquered metal. The Foscarini Bit 1 comes with an on/off cord switch with which you may control the light intensity. The glass is on offer either in red or in white. In combination with the other Bit luminaires the Bit 1 will create highlights.
