Lichtstroom in lm	1.000
Kleurtemperatuur in Kelvin	2.700 extra warm wit
lichtverdeling	licht in de kamer
Dimensions	H 19 cm Ø 31 cm

Omschrijving

The Foscarini Caboche Plus Sospensione Piccola is a pendant lamp with a diameter of 31 cm and a height of 19 cm. The shade of the Caboche is made of clear polymethylmethacrylate spheres. Through these spheres the lighting is radiated upwards and downwards as well as homogeneously distributed in the room. The zigzag shape of the brackets diffuses the light to the maximum without shielding it.

The canopy of the Foscarini Caboche Plus Sospensione Piccola is 16 cm in diameter and consists of white metal. The Caboche Sospensione Piccola is connected to the canopy via one 320 cm long cable which is individually shortenable. Also a version with a longer cable is offered on request. The pendant lamp is available in the colours transparent or grey.
