

Byok

Squadrina Pico Table Clamp

Oberfläche

- Gepolijst aluminium
- mat aluminium
- aluminium zwart
- satijnen wit poeder gecoat

Technical details

Land van fabricage	 Duitsland
fabrikant	Byok
ontwerper	Kai Byok
bescherming	IP20
Omvang van de levering	LED
Projectie in cm	57
materiaal	aluminium
dimmen	gebarencontrole
LED	inclusief
Kleurweergave-index	90
Kleurtemperatuur in Kelvin	Dim to warm
prestaties van het systeem	2 x 3,6 Watt
Totale lichtstroom in lm	610
lichtverdeling	direct
Dimensions	H 49 cm B 2 cm

Omschrijving

The Byok Squadrina Pico Table Clamp convinces through its functionality as well as through its design. The stringent shaping and the purist optics are characteristic of the Squadrina Pico Table Clamp. Due to the rotatable and tiltable base joint and the upper universal joint, this lamp is very flexible. Moreover the upper aluminium profile is turnable on its own axis. With this clamp version, the lamp can be attached on the table, to give it a save stand. This lamp is dimmed with gesture control. During dimming, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white.

Four surfaces are offered for this lamp. This Byok lamp is the smaller version of the Squadrina Table Clamp. It is as slim as the large version but it is only 49 cm in height. The Squadrina Pico is also offered with a table base.
