## Omschrijving

This Serien Lighting Curling Suspension Tube LED pendant lamp emits its light directly downwards and softly diffused all around. The lamp is attached to the ceiling with a chrome-plated steel tube. When installed, it is individually adjustable in total height. Its total height is 110 cm. The pendant lamp is offered with a lamp shade in three sizes: Small with a diameter of 18 cm, Medium with 25 cm and Large with 33 cm.

The Curling Suspension Tube LED clear/ cylindrical opal is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable lamps or lamps with dim to warm function are also offered on request. When dimmed, the lamps with dim to warm function imitate the dimming behaviour of classic incandescent lamps, which is perceived as pleasant.
