Omschrijving

The Vibia Slim 0920 is a pendant lamp of a special kind. As it is on offer in different versions, there is the perfect Vibia Slim light for every taste.

The Slim 0920 is unique due to its exceptional optics and thanks to its extremely slim shape, it elegantly inserts into every room. It appears discreet but interesting. Thus the Vibia Slim 0920 is a nice contrast. With its diameter of only 2.6 cm this light is a highlight to everybody. The soft elegance is underlined by the choice of white (fiberglass) or black (carbon).

This is one single-light pendant lamp with a long, slim body. It is available as a not-dimmable version or as an on-site dimmable version (1-10 Volt).
