Leveringsomvang	LED
Diameter in cm	50
materiaal	methacrylaat, staal
dimmen	1-10V dimbaar
Wattage	26,5 W
LED	inclusief
Kleurweergave-index	>90
Dimensions	H 7 cm Ø 50 cm

Omschrijving

The Vibia Up 4440 is the smaller of the two round ceiling lamps in this collection with 50 cm diameter. It has like the other lights out of this collection only a height of 7 cm and therefore is ideally suited for widespread lighting installations. It features a new LED system for a particularly flat light scattering. An LED with 26.5 watts, electronic dimmable 1-10V is included.

The designer duo Ramos & Bassols designed the Up 4440 with a diffuser made of polycarbonate. This ceiling lamp is available in graphite grey matt or white matt. Apart of this, different colour temperatures are offered: an LED with a colour temperature of 2,700 Kelvin extra warm white or with 4,000 Kelvin white.
