Omschrijving

The Vibia Up 4460 is a ceiling lamp which consists of two round lamps, one with 50 cm and one with 73 cm diameter. The collection is characterized cause of only 7 cm high structure in which all the equipment is integrated. The Up 4460 is ideally suited for widespread lighting installations and has a new LED system for a particularly flat light scattering.

An LED with 26.5 Watts and an LED with 55.3 Watts, electronic dimmable, 1-10V are included. The designer duo Ramos & Bassols designed the ceiling light with a lamp diffuser made of polycarbonate. This lamp is offered in graphite grey matt or white matt.
