Omschrijving

The Oluce Atollo 238 Oro Gold is one of all Atollo table lamps made by Oluce one of the smaller lights. It only has a height of 35 cm and a shade diameter of 25 cm. Because of its surface it is still very noticeable: Since it has a golden lacquered shade and base, the light shines beautifully when it is turned on.

Two light sources are included in this lamp. In addition to this golden lacquered table lamp, the Atollo 238 is also available in black as well as in other sizes.
