Schaduw diameter	42 cm
lichtverdeling	licht in de kamer
Dimensions	H 40 cm

Omschrijving

The Oluce Zanuso 275 is a table lamp made by Oluce. The table light looks modern by its asymmetrical shape and adapts to its environment perfectly. The lamp shade made of PMMA can be rotated on the arm on the base metal, thus allowing different positions. Direct light downwards and a diffuse light into the room are emitted. Oluce offers the Zanuso 275 with an table lamp base in white or brown.
