Omschrijving

The Foscarini Buds Sospensione 3 has an oval diffuser with a diameter of 30 cm. This is the smallest pendant lamp of the series and has included an exchangeable LED retrofit lamp with a power of 21 watts. The diffuser is made of hand blown glass, available in more colours. The warm white version appears white when switched off, while a different, darker look is obtained when it is switched on. The light is emitted both in the room and directly downwards. The cable with a length of 340 cm can be shortened if necessary. On request a pendant light with a longer cable is offered.
