### Omschrijving

The Luceplan Costanzina spare shade is suitable for all lamps of the series. It has a diameter of 26 cm. The shade can be used as a spare part for Costanzina lamps, but also to give a new accent to an already existing lamp. Available as shade colours: white, shaded stone, primary red, smart yellow, edgy pink, mystic white, petroleum blue, soft skin, comfort green, concrete grey and liquorice black.
