

Vibia Algorithm 0880

Oberfläche

- graphite grey
- wit

Technical details

Land van fabricage	Spain
fabrikant	Vibia
ontwerper	Toan Nguyen
jaar	2015
bescherming	IP20
Omvang van de levering	LED
materiaal	aluminium, glas, polycarbonaat, staal
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>85
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	19 cm
bulb vervangen:	bij de fabrikant / fabriek
prestaties van het systeem	12 x 3,15 Watt
Totale lichtstroom in lm	3.747
Dimensions	B 89 cm

Omschrijving

The Vibia Algorithm 0880 consists of twelve pendant lights arranged in a star shape. The suspension of the twelve pendant lights are 102 cm long and 89 cm wide. The pendants on this lamp have a length of 120 cm or 106 cm lower edge glass / suspension. On each pendulum hangs a glass. The glass of each lamp is hand-blown and has a diameter of 9 cm. The glass mountings are made of aluminum and are available in white or graphite-grey matt.

The canopy is mounted on the ceiling. Below this hangs the suspension. The distance between ceiling and suspension is freely selectable between 16 - 200 cm. The cable length is set to 120 cm or 106 cm and cannot be shortened. If required, please let us know the desired cable length. This pendant lamp is also available with a recessed canopy on request. Toan Nguyen designed the lamps of this series as a tribute to geometric structures in nature. Included are twelve LEDs, which can be dimmed with 1-10 volts, DALI or push on site. The pendant lamp has a colour temperature of 2,700 Kelvin extra warm white. On request it is also on offer with 3,500 Kelvin white.
