

Vibia

Flamingo 1530

Version

- goud
- koperen
- grafiet
- wit

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Antoni Arola
jaar	2015
bescherming	IP20
Omvang van de levering	LED
materiaal	acryl, aluminium, methacrylaat, staal
hoogteverstelling	hoogte bepaalbaar
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	1.662
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	16 cm
Schaduw diameter	90 cm
prestaties van het systeem	3 x 5,6 Watt
totale hoogte	350 cm
Dimensions	H 100 cm

Omschrijving

The Vibia Flamingo 1530 has two lamp heads. One lamp head contains two LEDs and is located below the three shades. This lamp head emits direct light and indirect light. A part of the light is directed upwards by the translucent shades, a part of the light is reflected from the shades also into the room. For additional ceiling illumination, the second lamp head illuminates the top shade, which mainly reflects the light to the ceiling.

The shades are made of opal white, thermoplastic methacrylate, the lamp heads made of aluminum. The light heads are available in gold satin matt, graphite-grey matt lacquered, white matt lacquered and copper glossy. The canopy is always in the matching colour to the lamp heads. The suspension height of the pendant lamp can be varied by shortening the cables. The light can be dimmed on site. A via smartphone with Casambi module dimmable version is also available on request.
