Mayfair 5520

Oberfläche

- groen
- oranje

Technical details

Land van herkomst	 Spanje
Fabrikant	Vibia
Ontwerper	Diego Fortunato
jaar	2016
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	LED
Diameter in cm	30
materiaal	methacrylaat, polycarbonaat, staal
Hoogte-instelling	hoogte bepaalbaar
dimmen	1-10V dimbaar
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	2.027
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	16 cm
prestaties van het systeem	1 x 2,4 + 1 x 12,6 Watt
totale hoogte	200 cm
Dimensions	H 6 cm Ø 30 cm

Omschrijving

The Vibia Mayfair 5520 pendant lamp has a translucent shade which for the most part directs the light directly downwards. In part, the light is also emitted through the shade into the room and upwards, where it is reflected by the wall or ceiling. The lamp is an update of pendant lamps over billiard tables, whereby the designer Diego Fortunato chose a fresh, innovative design. The lamp shade is available in green or orange. In both versions, the light rod is in graphite grey. The pendant light is height settable and dimmable on site with 1-10 volts or Push. A DALI dimmable version or a version with Casambi module is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer. In addition to this lamp with translucent shade, the Mayfair 5525 with opaque shade and other surfaces is also offered from the series.
