Omschrijving

Die Stilnovo Mongolfier P1 is an organic structure that wraps around itself, until it takes on the contours of a tapered circular shape. It is available in black painted metal, rose gold or black nickel finish. The pendant lamp is perfect for illuminating a dining table or living room. Its vintage appeal is also ideal for creating the right atmosphere in a restaurant or bistro. Thanks to Warm Tune™ dimming technology, the light from the LED source varies in intensity and colour temperature at the same time, complying with environmental requirements. The modern pendant lamp is also suitable for cluster compositions. This lamp can be dimmed on site and can also be dimmed with an optionally available Casambi module via Smartphone App.
