<b>prestaties van het systeem</b>	1 x 9 + 1 x 15 + 1 x 30 Watt
<b>Dimensions</b>	H 21 cm   B 160 cm   L 160 cm

### Omschrijving

The Vibia Structural 2647 ceiling light consists of two crossed light rods and three lights. The three lamps have different sizes as well as shapes and emit their light directly downwards. The lamp is available in light grey and dark grey. All versions are matt lacquered. The Structural 2647 has a colour temperature of 3,000 Kelvin warm white as standard and can be dimmed on site with 1-10 volts. On request, the ceiling lamp is also available with a colour temperature of 4,000 Kelvin white. A DALI dimmable version is also optionally offered on request, as is a version that can be dimmed with an optionally available Casambi module using a smartphone app. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
