- groen
- rood

Technical details

Land van fabricage	 Spanje
fabrikant	Vibia
ontwerper	Lievore Altherr
jaar	2018
bescherming	IP20
Omvang van de levering	LED
Diepte in cm	43
materiaal	aluminium, glas, staal
kabellengte	400 cm
dimmen	Touch Dimmer op de voedingslijn
Wattage	4 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	415
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Schaduw diameter	25 cm
Dimensions	H 140 cm

Omschrijving

The Vibia Tempo 5762 is a wall lamp composed of a stylized profile attached to the wall and topped by a blown glass diffuser that gives the piece a delicate image. Connection with plug. LED light source. Tempo lamps are a design by Lievore Altherr and affirm their presence in vertical planes. Vibia presents for this lamp a disc lamp. All inspired by degrees of luminance and the interplay between opacity, translucence and transparency. All Vibia Tempo wall lamps use LED lighting. The following surfaces are available: graphite-grey, terracotta-red, cream-white and green. All versions are matt lacquered. On request, the wall lamp is also available with connection via wall outlet (Tempo 5763). The standard colour temperature is 2.700 Kelvin warm white, on request the lamp is also available with a colour temperature of 3.000 Kelvin warm white or 4.000 Kelvin white.
