### Omschrijving

The Vibia Tempo 5772 pendant lamp has an oval glass shade with a diameter of 13 cm. The shade is made of mouth-blown glass and provides glare-free ambient light. An LED with a colour temperature of 2,700 Kelvin extra warm white is included as a light source. On request, the lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. The following surfaces are available: terracotta-red, graphite-grey, cream-white and green. All versions are matt lacquered. The maximum cable length can be shortened if required, special cable lengths are also available on request. The pendant lamp can be dimmed by the customer with 1-10 volt or push. On request, versions are also available which are dimmable with DALI or which can also be dimmed with an optional Casambi module via a smartphone app. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
