Technical details

Land van herkomst	 Spanje
Fabrikant	Marset
Ontwerper	Jordi Canudas
jaar	2018
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	LED
materiaal	glas, messing
kabel kleur	zwart
kabellengte	200 cm
schakelbaarheid	aan de lijn
Wattage	2,2 W
LED	inclusief
Kleurweergave-index	90
Lichtstroom in lm	216
Kleurtemperatuur in Kelvin	2.700 extra warm wit
Schaduw diameter	13 cm
kandelaar Dimensions	6 cm
Dimensions	H 22 cm

Omschrijving

The Marset Dipping Light is a table lamp with a shade made of mouth-blown glass. The shade has several layers of colour that merge barely noticeably in concentric circles. The cylindrical lamp base is made of brushed brass. When switched on, the emitted light is differently coloured by the different layers of colour of the lamp shade. Even when the lamp shade is switched off, the different layers of colour are clearly visible. The table lamp is available in pearl white, blue, green, amber and pink. An LED is integrated as a light source. The Dipping Light has a height of 22.2 cm and a shade diameter of 12.5 cm. It is regulated by an on/off switch on the supply line.
