## Omschrijving

The Decor Walther Box 80 N LED is a rectangular wall lamp with a length of 80 cm. It emits light simultaneously upwards and downwards. A diffuser made of white matt acrylic glass reduces glare and diffuses light evenly. The lamp is available in chrome, satin nickel, matt black and matt white finishes. The integrated LED can be dimmed on site with a trailing edge phase dimmer. It is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. With protection class IP44, the Box 80 N LED is also suitable as a bathroom light. The Box wall lamp is also available as a halogen version.
