jaar	2003
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	Leuchtmiddel/Bulb
Diameter in cm	20
materiaal	kristalglas, metaal
kabellengte	200 cm
Hoogte-instelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
Dimensions	H 35 cm Ø 20 cm

Omschrijving

The Vistosi Damasco SP G pendant lamp is made of mouth-blown crystal glass, which is coated by hand with threads of melted crystal glass. The lamp emits light downwards through an opening at the lower end. The transparent glass diffuser also emits light into the room, creating reflections on the surface of the lamp. The Damasco SP G is available in the glass diffuser colours crystal clear and amber. The pendant lamp is 35 cm high and has a diameter of 20 cm. It is available as an E27 and LED lamp. The E27 lamp is also suitable for LED retrofits. The LED lamp has an integrated LED with a colour temperature of 2,700 Kelvin extra warm white and is dimmable with a trailing edge phase dimmer. On request, it is also available with a colour temperature of 3,000 Kelvin warm white or 0-10 Volt dimmable. The lamp's cable can be shortened if necessary. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
