Omschrijving

The Holtkötter Vita 3 60cm is a ceiling lamp with direct light emission downwards. Depending on the shade colour, the light also penetrates to the side through the shade. The white base made of high-quality chintz material provides a homogeneously illuminated surface and also conceals the lamp holders with light source. This lamp has a diameter of 60 cm and a height of 18 cm. The ceiling lamp is also available with a shade diameter of 40 cm or 50 cm. The Vita 3 is offered in the colours champagne, white, light grey, sand, slate, wave optics white, gold leaf and silver leaf. Both halogen lamps and LED retrofits can be used as illuminants.
