Omschrijving

The Plafonet 60 is manufactured by the Spanish manufacturer Bover according to the design of Joana Bover. The body of this round ceiling light is made of stable iron and has a diameter of 60 cm. The lamp shade, which surrounds this ceiling light, is handmade of fabric and is 15 cm high. The cylindrical lamp shade of the Bover Plafonet 60 has a diameter of 54 cm at the lower part of the lamp. Through the white diffuser made of optical glass and the lamp shade, the light is emitted downwards and also to the sides. This ceiling lamp is available in the shade colours white, cream and natural white. The white and cream shades are made of ribbed wrap-around pleated fabric, the natural white shade is made of cotton. This ceiling light has four E27 sockets and is operated with replaceable LEDs (retrofit).
