Omschrijving

The Arturo Alvarez Hipatia HI01 is a portable table lamp that can be operated wirelessly. Thanks to its rechargeable battery, the table lamp emits light for several hours even without a power supply. A USB cable for charging is included in the scope of delivery. The Hipatia HI01 can be switched on and off as well as dimmed with the included remote control. The remote control has a range of up to 10 meters. This is a portable table lamp with a handle at the top of the lamp shade. The lamp shade is made of painted stainless steel mesh, which is extremely durable and resistant. The lamp emits its light diffusely and glare-free into the room.
