LINN-L161

Oberfläche

- nikkel
- zwart

Technical details

Land van fabricage	 Duitsland
fabrikant	Knapstein
ontwerper	Knapstein
jaar	2019
bescherming	IP20
Omvang van de levering	LED
materiaal	metaal
hoogteverstelling	hoogte verstelbaar
dimmen	gebarencontrole
Wattage	51 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	5.815
Kleurtemperatuur in Kelvin	2.700 extra warm wit
bulb vervangen:	bij de fabrikant / fabriek
totale hoogte	73 - 180 cm
Dimensions	H 3,4 cm B 1,6 cm L 161 cm

Omschrijving

The Knapstein LINN-L161 is a pendant lamp with a length of 161 cm. By pulling or lifting the lamp itself, the total height can be adjusted between 73 cm and 180 cm. The lamp can also be suspended at an angle. The lamp emits its light simultaneously upwards and downwards. The uplight and the downlight can be switched separately by gesture control and infinitely dimmed. The sensor area for gesture control is located centrally at the top and bottom of the lamp. The pendant lamp is switched on or off with a wiping movement of the hand. The lamp can be dimmed continuously by holding the hand in the sensor area for a longer period of time. A memory function saves the last light intensity set and automatically selects it the next time the lamp is switched on.

The LINN-L161 pendant lamp is available in matt nickel and black. A lamp with a length of 128 cm is also offered from the series. In addition, LINN pendant lamps are available with height adjustment by stoppers on the cables. These are offered in a length of 68 cm, 128 cm or 161 cm. On request, the LINN is also available in other lengths or surfaces.
