

Knapstein

ELEA-T

Oberfläche

- messing
- nikkel

Technical details

Land van fabricage	 Duitsland
fabrikant	Knapstein
ontwerper	Knapstein
bescherming	IP20
Omvang van de levering	LED
Projectie in cm	75
materiaal	messing
dimmen	Touch Dimmer op de lampkop
Wattage	15 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	max. 1.500
Kleurtemperatuur in Kelvin	2700 - 5000 instelbaar
Schaduw diameter	14 cm
kandelaar Dimensions	17 cm
bulb vervangen:	bij de fabrikant / fabriek
Dimensions	H 35 cm

Omschrijving

The Knapstein ELEA-T is a table lamp with a rotatable and tiltable lamp head. The lamp can be tilted as desired via a ball joint on the lamp base. There is another joint on the arm of the lamp, with which the table lamp can be aligned at any time. The ELEA-T has two push button dimmers on the lamp head: the light intensity can be dimmed with one push button dimmer. With the other push button dimmer, the light colour of the integrated LEDs can be mixed from 2,700 Kelvin extra warm white to 5,000 Kelvin cool white. The last light intensity set is saved via the memory function and is automatically reset the next time the light is switched on. In the event of a power failure, the lamp switches on automatically if it was previously switched on. It remains switched off if it was previously switched off. This function is suitable for use with switchable sockets. The table lamp is offered in matt brass and matt nickel finishes.
