bulb vervangen:	ter plaatse zelf

Omschrijving

The Catellani & Smith Syphasera Set 1 consists of a complete outdoor floor lamp ready for connection with all necessary accessories. The set includes: a ground spike, an extension cable with a length of 500 cm, a driver and a connection cable including plug for the power supply. The lamp has a cylindrical opal glass, through which the light is emitted glare-free in all directions. With its ground spike, the lamp can be fixed up to 25 cm into the ground. The Syphasera Set 1 is available with a lamp with a height of 65 cm, 80 cm, 110 cm or 140 cm (indication of height without ground spike).

With protection class IP44, the outdoor floor lamp itself is protected against splash water from all sides and solid foreign bodies with a diameter of 1 mm or more. Its lamp rod is with protection class IP65 dustproof and protected against strong jets of water from any angle. Driver and extension cable are protected against temporary submersion with IP67 protection. The Syphasera is also available in a set of three, four, five or nine lamps.
