Omschrijving

The Lupia Licht Rack is an LED wall lamp with a flexible 35 cm long lamp arm and an additional light source to light the wall. With the flexible light arm, the light can be directed to where it is needed. This LED wall lamp is made of aluminum and is available in black and white. Both light sources of the Lupia Licht Rack can be switched separately by switches in the wall bracket. The wall mount of the Lupia Licht Rack has a shelf and an integrated USB port, which allows you to charge a smartphone. The wall mount of this LED wall light is 16 cm wide, 12.5 cm high and 12.5 cm deep. This lamp comes from Lupia Licht from Germany.
