Glas

- rookgrijs
- opaal
- Barnsteen
- cognac
- opaal mat

Technical details

Land van herkomst	 Duitsland
Fabrikant	Holtkoetter
Ontwerper	Holtkötter
jaar	2020
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	LED
Projectie in cm	38
materiaal	glas, metaal
Hoogte-instelling	hoogte verstelbaar
dimmen	Touch Dimmer op lichte stok
Wattage	16,6 W
LED	inclusief
Kleurweergave-index	>95
Lichtstroom in lm	1.660
Kleurtemperatuur in Kelvin	Dim to warm
reflector diameter	9 cm
kandelaar Dimensions	25 cm
bulb vervangen:	bij de fabrikant / fabriek
Dimensions	H 120 - 150 cm

Omschrijving

The Holtkötter Aura S Glass is a floor lamp with a reflector with a mouth-blown glass. Each glass is made in traditional craftsmanship and is unique. The lamp is available with a glass in opal matt pleated, opal matt, amber, cognac or smoke grey. In addition, the floor lamp is offered in the surfaces brass anodised, black, platinum and aluminum matt. The reflector can be aligned as desired. Thanks to the glass, light is emitted glare-free directly and laterally through the reflector into the room. Depending on the glass selected, the light emitted laterally is coloured.

The Aura S glass can be adjusted in height between 120 cm and 150 cm. The lamp is infinitely dimmable via the push button dimmer on the light rod. When dimming, the used Dim-to-warm technology changes the light colour of the integrated LED to a warmer tone (from 2,900 Kelvin warm white to 1,800 Kelvin extra warm white). A memory function saves the last light intensity setting and automatically adjusts it the next time the light is switched on. The series also includes the Aura S with a metal reflector.
