## Aura R3 2025 Glass

### Oberfläche

- aluminium
- messing
- platina
- zwart

### Glas

- opaal
- amber
- cognac
- rookgrijs
- opaal mat

## Technical details

<b>Land van herkomst</b>	 Duitsland
<b>Fabrikant</b>	Holtkötter
<b>Ontwerper</b>	Holtkötter
<b>jaar</b>	2020
<b>Beschermingsklasse / IP-bescherming</b>	IP20
<b>Leveringsomvang</b>	LED
<b>materiaal</b>	glas, metaal
<b>Hoogte-instelling</b>	hoogte verstelbaar
<b>dimmen</b>	dimbaar op locatie met faseafsnijding dimmer
<b>LED</b>	inclusief
<b>Kleurweergave-index</b>	>95
<b>Kleurtemperatuur in Kelvin</b>	Dim to warm
<b>luisel Dimensions</b>	38 cm
<b>reflector diameter</b>	9 cm
<b>bulb vervangen:</b>	bij de fabrikant / fabriek
<b>prestaties van het systeem</b>	3 x 16,6 Watt
<b>Totale lichtstroom in lm</b>	4.980
<b>totale hoogte</b>	160 cm

## Omschrijving

The Holtkötter Aura R3 Glass is a pendant lamp with three lamps mounted on a round canopy. This pendant lamp has three mouth-blown glasses. Each glass is manufactured in traditional craftsmanship and is therefore unique. The glasses are available in amber, cognac, smoke grey and opal matt. The pendant lamp is additionally offered in the surfaces brass anodised, black, platinum and aluminum matt. The canopy has the matching surface to the lamp. The light is emitted through the glass directly downwards and sideways into the room. Depending on the choice of glass, the light emitted to the side is discoloured.

The total height of each pendulum of the Aura R3 Glass can be adjusted by simply pushing it upwards or pulling it downwards up to a maximum of 160 cm. An integrated roll-up mechanism ensures that the cables disappear into the canopy and the lamps always remain horizontal at the desired height.

The Aura R3 Glass from Holtkötter can be dimmed on site using a trailing edge phase dimmer. Thanks to the used Dim-to-warm technology, the light colour of the integrated LEDs changes to a warmer tone when dimming (from 2,900 Kelvin warm white to 1,800 Kelvin extra warm white). A memory function is used to save the luminous intensity last selected and automatically selects it the next time the pendant lamp is switched on. Also part of the range are the Aura R3 with metal reflectors and the Aura P3 with a rectangular canopy. Pendant lamps with two lamps on one canopy are also available.
